A Word From Our Owner

"We know that healthcare costs can be a burden. At Mitchell's Cost Plus, we believe that everyone deserves access to affordable healthcare. That is why we use our unique cost-plus model to determine our prices. With our transparent pricing, you can trust that you're getting a fair deal every time you shop with us. No coupons or insurance needed, just simply low drug prices."

- Tim Mitchell, Hometown Pharmacist, Owner

How it Works

We Do Not Accept Insurance

After years of experience in pharmacy, we've come to realize that some people are overpaying for prescription medications, even on insurance!

Huge Drug Savings

By cutting out the middlemen we are able to give our patients a close to wholesale price on all of their medications!

Member & Non-member Options

Everyone gets access to affordable medications — but members save even more with additional RX savings & exclusive perks.

Shipping Or Pick Up Available

Want access to our low priced medications but not local? Give us a call and we can mail your medications to your home!
